ORDINARY HAS NOTHING EXTRA

You are unique. You are the jewel in the crown, the diamond in the rough. You shout from the rooftops, scream the victory songs. You are not ordinary, you don't go silently into the night. You have the edge, the extra strand of DNA that makes you who you are. Ordinary has nothing extra.

DIVERSITY AND ABILITY

Supporting neurodiverse people with their dyslexia
and assistive technology training.

Led by disabled and dyslexic people, DnA is an end
user story here to teach, support and inspire.

TRAINING AS UNIQUE AS YOU ARE!
